## PREACHERSVILLE.

We hope Congressman Helm can prevail on our Uncle Sam to give Stanford a Federal building. 'Tis a pity he isn't favorable to the parcels post legislation.

John Rigsby, Jr., has just returned from a trading expedition to Casey, where he bought a large drove of stock of all kinds. If John keeps on he will be a hustler.

Menefee Elmore has at last succeeded in capturing his wild hog which we mentioned in a recent issue. The severity of the weather is supposed to have tamed it, as it was easily caught.

John Bell and wife gave a delightful social a few nights ago, which was enjoyed greatly by all present. Your correspondent was present and had the biggest time ever.

Mrs. Ona Naylor and Mr. and Mrs. Fado Parks were guests of Mr. and Mrs. J. M. Lunsford Christmas day. The table fairly groaned under its load of good things and the way yours truly "filled up" was a caution.

Mr. J. B. Parks, a farmer living in Garrard, had the misfortune to fall and dislocate his hip, while driving hogs. In trying to retain his feet he fell a second time and rolled down the hill into a branch, where there was considerable water. His son, who was present, was unable to get his father out in his injured condition and had to call assistance. Mr. Parks is in a very dangerous condition. Fads Parks, our miller, is a son of the senior Parks.

The Baptist Sunday-school gave an entertainment which consisted of dialogues, speeches and songs, very creditably rendered, Friday afternoon. A great deal of credit is due Miss Rinda Pettus and Mrs. F. F. Cummins for their painstaking drilling of the pupils and frequent rehearsals of the exercises. After the exhibition was over a nice, well-loaded Christmas tree held the attention of the crowd and made many hearts glad. Santa Claus was present and, strange to say, seems to get greener as he gets older.

Miss Bettie Carpenter has been visiting Mrs. Tom Howard at Lancaster. B. T. Lunsford and wife visited Mr. and Mrs. J. M. Lunsford. Miss Sarah Howard spent Christmas with Mt. Vernon friends. Mr. and Mrs. Henderson, of Lowell, were at John Williams'.

Mrs. Mattie Breedlove, of Goshen, was visiting her mother, Mrs. Levi Bell. Miss Rebecca Williams, of Knoxville, visited Mr. and Mrs. John Williams. Mrs. Frank Lykins, who has been sick so long, is now fully restored to health, thanks to the skill of the Drs. Gibson, of Richmond.

Mr. Grover Gastineau, aged 21, of near Hyattsville, and Miss Alpha Naylor, 21, of this place, celebrated Christmas day by driving to Lancaster and being united in marriage by Rev. F. M. Tinder. Mr. Gastineau is a son of Mrs. Mary Gastineau and is said to be a fine young man in every respect, while his bride is the third daughter of Mr. and Mrs. John Naylor, and is quite attractive and much admired by all who know her. The bride, who was dressed very becomingly in blue, never looked lovelier than on her wedding morn. We extend our best wishes to the happy couple and sincerely hope they may never know sorrow. Mr. and Mrs. Gastineau will begin house-keeping Jan. 1 near Hyattsville, where they will be at home to their many friends.

## Kills Her Foe of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female Complaints, it's unequalled. Only 50¢ at Penny's Drug Store.

Bonner county, Idaho, has the longest wagon bridge in the world, the structure now being constructed across the Pend Oreille River, near Pend Oreille Lake, being more than two miles long. The bridge was commenced almost two years ago and has cost the county about \$50,000, part of this being raised by subscription among the farmers on the North side of the river and business men of Sandpoint.

Diligent search by many private detectives, aided by the police of Philadelphia, New York and other Eastern cities, failed to disclose a clew as to the whereabouts of Roberta De Janon, the 16-year-old heiress, and Ferdinand Cohen, a waiter at the Bellevue-Stratford Hotel in Philadelphia, who are believed to have disappeared together last Wednesday.

Mrs. George C. Rue, a well-known Danville lady, is dead.

## C. D. Hocker, of the "Show Me" State, Pens a Few Lines.

GUILFORD, Mo., Dec. 28.—Enclosed find draft for \$2 to apply on my indebtedness to the INTERIOR JOURNAL.

What have you down in Kentucky in the way of weather? In North West Missouri we are having real winter and have had since the 4th of this month, at which time everything froze up, which is not usually the case even in this section. It has not been extremely cold; about eight below zero being as low as the thermometer has registered, but it has hovered around zero frequently during the month. Been snowing about twice a week for the last three weeks, yet we haven't but about eight inches of snow on a level. Now to you people down in old "Kentuck" a solid month of winter in December, I imagine sounds like rather a hard proposition, but the works of nature are so arranged that it never causes anything to occur so bad but what it could be worse, and very often there is something good comes of it. In this instance the sleighing and skating is simply—well, I'll just say huge. If you doubt it, just ask Rev. Pat Davies when you see him. Pat has been preaching for the Methodists here during the cold spell. I think he lives near Danville, or at least he seems to be familiar about Danville and Stanford. By the way, we are utilizing other Kentucky products as preachers and teachers. The regular preacher who now has charge of the South Methodist congregation at Guilford, is a Kentuckian, from Russellville, Rev. Randolph. Rev. Ward, of the First Baptist church of Maryville, our county seat, is another Kentuckian. If I am not mistaken, he married a sister of George S. McKinney's wife. They were daughters of old Uncle Billy Fair. Last but not least, comes Dr. H. K. Taylor, president of our State Normal School, located at Maryville. He is from Winchester, Ky., and seems to be taking well with the people here. Would write more, but am liable to get into politics and I don't know enough to talk politics since Missouri went back on Bryan.

A merry Christmas and happy new year to you and your many readers.

C. D. HOCKER.

## Here and There.

The plant of the Kenesaw Marble Co., located at Marietta, Ga., was destroyed by fire. The loss is estimated at \$150,000, partly covered by insurance.

F. H. Jermyn, reported to be one of the wealthiest coal mine operators in the United States, was struck and probably fatally injured by a street car in San Francisco.

A head-on collision between two limited cars on the terre Haute, Indianapolis & Eastern Traction Railroad, near Greenfield, Ind., resulted in serious injury to five persons.

A rainfall so heavy as to amount almost to a cloudburst marked the dawn at the new year in Los Angeles and vicinity. Landslides in Cajon Pass tied up transcontinental trains on the Santa Fe and Salt Lake lines.

Attorney General McCarn, of Nashville, has prepared and is now having served 150 warrants in that city and county charging violations of the four-mile liquor law and tipping without license. The warrants are returnable before the magistrates of the county.

The fourth of a series of similar outrages which have occurred in the same vicinity in the last three years, was committed Saturday when the body of Miss Anna Lloyd was found by two boys in a lonely part of Cincinnati. Miss Lloyd had been attacked, gagged and her throat cut. The snow in the neighborhood showed that a struggle had occurred before the woman was over come.

Judge John S. Voris, a prominent attorney of Georgetown, was found dead in his office Saturday. He was attired in a dress suit in which he had delivered a toast at a dinner of the Georgetown Commercial Club the night before. A bullet hole was in his temple. He had been missing from his boarding house all the day before.

Don't drug the stomach, or stimulate the heart or kidneys. That is wrong. It is the weak nerves that are calling out for help. Vitalize these weak inside controlling nerves with Dr Shoop's restorative, and see how quickly good health will come to you again. Test it and see! Sold by Penny's Drug Store.

Crazed by drink, Grover Vancleave, of LaRue county, cut the throat of his 22-year-old son and the young man died several hours later. The father, it is thought, will lose his mind over the trouble.

If you own a Hyomei Inhaler, Penny will sell you a bottle of Hyomei (liquid) for only 50 cents. Guaranteed to cure catarrh and all throat troubles or money back. Complete outfit \$1.

Three persons, two of whom were women, were killed and at least 45 injured, some probably fatally, when the "California Special" on the Rock Island railroad jumped the track near Trenton, Mo. Only two cars remained on the track. The others quickly burned. The cause of the accident was said to be spreading rails.

Attorney Martin W. Littleton convinced Charles W. Morse, the convicted president of the Bank of North America, of the utter futility of any further attempt to escape the sentence of the court and Morse has been placed in the Federal prison in Atlanta to commence the service of his 15-year sentence. He was accompanied on his trip South by his wife and two sons.

## IN MEMORIAM.

Alvin Koger, McKinney, Ky., was born Feb. 11, 1820, and died Dec. 27, 1909. He was a consistent member of the Baptist church a great part of his life. He lived a blameless life from his youth. It was my pleasure to mingle with those who knew all about him. I never heard a censure against him concerning his religious or business life. He married Miss Sallie Lovelace, who died about 30 years ago in the triumphs of faith. After his son, George, married he united with him in house-keeping and remained with him until his death. His whole life was spent in Wayne county except two years and a few months. He had been a farmer all his life and a prosperous one. He has been a farmer all his life and a prosperous one. He was well pleased with the new home near McKinney, where he ended his pilgrimage in this world. The 11th of February next, he would have been 90 years of age. He often prayed that his last days might be his best days, and that he might die in his right mind. He often said that all he feared of death was its sting. Though he did not presume to pray for a painless death, he appeared to pass away as peacefully as an infant going to sleep on its mother's breast. Christmas night a little after 12 o'clock he told us he was dying and about daylight he said distinctly: "Bless the Lord; bless the name of the Lord," and continued in a state of ecstasy for some time, repeating these words of praise, gazing upward with happy smiles. He remained in a conscious condition until 2 o'clock Monday evening, breathing regularly until the last. I was with him during his last illness and never in my life did I witness such a peaceful death. His life and death have been a blessing to all who knew him. So it may be said of Brother Koger: "He being dead let us speaketh." Let us pray that we may die the death of the righteous and that our end may be like his.

HON. HARVEY HELM,  
of Lincoln county, is a candidate for re-nomination for Congress from the Eighth district, subject to the action of the democratic party.

TOM L. JOHNSON, for eight years mayor of Cleveland, at noon Saturday formally transferred the office to his successor, Herman C. Baehr. Ex-Mayor Johnson is one of the picturesque men of the country and a strong man in his State. He possesses indomitable energy, is scrupulously honest but there are those who doubt his judgment in the management of a great city like Cleveland. While popular with people, he made enemies of the corporations, whose powerful fight against him accomplished his defeat.

### POLITICAL.

OFFICERS of the American Federation of Labor have issued a call on its 1,500,000 members to subscribe to a fund with which to wage a fight on the "steel trust." The call arraigns the corporation as inimical both to labor and the country, and as a violation of the laws. The sum of \$154,000 is to be raised at once. As the labor union and the steel trust are both powerful organizations a strong fight may be expected, and the public will watch it with much interest.

DEMOCRATIC friends and county-officials presented Judge Frank A. Bullock with a \$250 silver service on his retirement as county judge of Fayette, after 16 years' of excellent service. We opine the city of Lexington and Fayette county will before long regret their action in turning down this splendid official.

HOPE that the war would be brought to an end through the recognition of the provisional government of Nicaragua by the United States has been abandoned. Many believe that two more battles must be fought, one in the State of Chontales and the other near Managua.

THE Louisville Times' 100-page edition celebrating the 25 anniversary of that excellent paper, is a magnificent effort. It is full of interesting news matter and liberally illustrated from the first page to the last. The paper is a credit not only to the publishers, but to the State at large.

THE republicans know how to manage State affairs, we don't think. When they took hold the treasury contained nearly \$1,000,000 and now there is a deficit of \$750,000 and the rads want relief from the Legislature. The chances are they will not get it.

JUDGE M. C. SAUFLEY came into possession of his own yesterday when he convened circuit court at Danville. His legion of friends are delighted to see him on the bench again.

S. A. Randell, of Somerset, has closed a deal with Miss Ellen Powers for an up-to-date cottage to be built on her lot on West Main street.

Hudson Bohon sold his four-acre crop of tobacco last week at the fancy price of 15c straight. It pays well to properly handle and grade any crop of tobacco.

The impromptu hop at Hotel Weatherford was the enchanting feature of the Yuletide and an event which will long be remembered by the many happy participants.

The Hustonville Produce Co., under the efficient management of L. A. Farris, reports a continued increase in its business, necessitating additional poultry yards, egg rooms, etc, in order to handle the business without delay.

At the annual election of officers of Hustonville Lodge F. and A. M., the following were chosen for the ensuing year: Everett Carson, worshipful master; E. W. McCormack, senior warden; Walter Carson, junior warden; John Riffe, secretary; J. P. Goode, tyler; J. W. Hoskins, senior deacon; O. S. Williams, junior deacon; Sam McKinney, treasurer; John Dinwiddie, chaplain.

What would probably have been a disastrous fire, was narrowly averted last week in the home of Mr. and Mrs. John Dinwiddie. For a day and night before it was discovered, smoke was smelled over the house, but search failed to locate it. Young Lippis, in making a fire one morning, found the hearth too hot to stand on and giving the alarm, found a bed of hot coals about ready to burst forth in a flame.

John B. Riffe and family have moved to the Logan home on Main street.

Misses Grace, Sallie and Josie Goode were at home from Louisville during the holidays. George Tucker and family have moved to the C. K. McClure place for this year. Jess O. Carpenter, our hustling liveryman, has moved from the Newton block to the Mac Logan cottage. J. W. Allen has rented the Elias Kidd farm near Kidd's Store, and taken possession. Messrs. McBath and Gann, two excellent gentlemen, and their families, have moved up from Wayne county to the farm recently bought of John Steele Carpenter. Mrs. H. F. Waller and sister, Mrs. Dowd McCarley, of Okolona, Miss., spent Christmas with their parents here. Jas. Frye and family, of Tulia, Texas, send greetings to their many friends in "dear old Lincoln county."

### POLITICAL.

George S. Wilson, of Union county, candidate for Speaker of the House, has no opposition.

The failure of Gov. Wilson to appoint a member of the Board of Control is causing comment and criticism in republican circles in Frankfort.

For the first time in its history, the State of New Hampshire observed New Year's day as a legal holiday, January 1, having been so designated by the last Legislature.

The State officials will recommend to the Legislature that the State issue \$1,000,000 in bonds to pay its indebtedness. Frank James, the Auditor, said the deficit at the end of the next fiscal year would be \$750,000.

Wm. J. Gaynor was installed as Mayor of New York, Saturday. The former Judge had previously taken the oath of office and the ceremony of installation was of the simplest character.

Nevertheless there was a throng as big as the mayor's office would hold to witness the brief ceremony.

### MATRIMONIAL.

Charles Milner, of Louisville, and Miss Josephine Hudson, daughter of Mrs. Hudson, of Danville, were married last week.

John W. King, aged 19, and Miss Hannie Blythe, 14, of Lewis county, were married at Maysville. The bride's father gave his consent to the wedding.

With the President of the United States as a guest, Miss Louise W. Taft, his niece, was married in New York to George H. Snowden, of Seattle, at the residence of her parents, Mr. and Mrs. Henry W. Taft.

It is reported that a dot of \$1,000,000 will be conferred upon the bride when Preston Davie, of Louisville, and Miss Emily Bedford, of Brooklyn, are married to-day. The marriage will be the biggest event in Brooklyn society so far this winter.

**Resolutions of Respect.**  
Resolutions of respect by the Lincoln County Medical Society:

At the lonely hour of midnight on Aug. 20, 1909, the spirit of Dr. L. B. Cook took its flight to Him Who gave it and left the pain-wrecked body to be viewed upon earth for the last time by a broken-hearted companion, grief-stricken children, brothers and sisters and a multitude of sorrowing friends. Therefore be it resolved

1st. In the death of Dr. Cook the medical profession has lost one of its ablest and truest members, the home a kind, loving husband, indulgent father, the community a most faithful, efficient servant, society its best example and the church a true Christian.

2nd. That these resolutions be spread upon the minute book of this meeting, a copy sent to The State Medical Journal and to the INTERIOR JOURNAL for publication and the family be furnished with a copy of these resolutions.

E. J. Brown, J. F. Peyton, H. Reid, committee.

### PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—noting else usually. At least, so says Dr. Shoop, and to prove it he has invented the pain tablet. What tablet?—called Dr. Shoop's Headache Tablets. It coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it surely equalizes the blood circulations.

If you have a headache, it's blood pressure.

If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a cause, says Dr. Shoop. Headache Tablets. It in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's constrictive blood pressure. It's simply Common Sense.
